

## FACT SHEET

Guided by the values that have driven the McCain family for generations of public service, the McCain Institute for International Leadership at Arizona State University is a nonpartisan do-tank dedicated to advancing character-driven, global leadership based on security, economic opportunity, freedom and human dignity-- in the United States and around the world. We are committed to achieving this through:

- ✧ Sustaining strong American leadership in the world.
- ✧ Upholding freedom, democracy and human rights as universal human values.
- ✧ Serving causes greater than one's self interest.
